LAMTEC ETAMATIC TRAINING

All-in-one for simple integrated, coordinated electronic control and maximum efficiency: This is the LAMTEC ETAMATIC. It combines all the functions required for burner control in a compact housing.

The 3-day training course deals extensively with our burner control unit ETAMATIC.

DATE: 23.-25. June 2026

START / END: 8:30 am / 5:00 pm

Please note: Admission at 8:00 am <u>at the earliest</u>!

For organizational reasons, we ask participants to register at our reception desk on the first day of training.
