

LAMTEC FLAME SCANNER TRAINING

An innovative and versatile flame scanner for a wide range of applications that can address virtually any control task. This is the next generation of flame monitoring.

The 1-day training focuses exclusively on the flame scanners F200K and F300K.

DATE: 22. October 2026

START / END: 8:30 am / 5:00 pm

Please note: Admission at 8:00 am at the earliest!

For organizational reasons, we ask participants to register at our reception desk on the first day of training.
