

LAMTEC News — LAMTEC Leipzig is moving

Since Quategra GmbH joined the LAMTEC business group in June 2010, thus reinforcing our development department, LAMTEC Leipzig GmbH & Co. KG was spread in two different locations in Leipzig; production department in Stötteritz and development department in Plagwitz. This spatial division was undoubtedly not the optimal solution but due to mere lack of space, it was the only possibility so far. This has now come to an end.

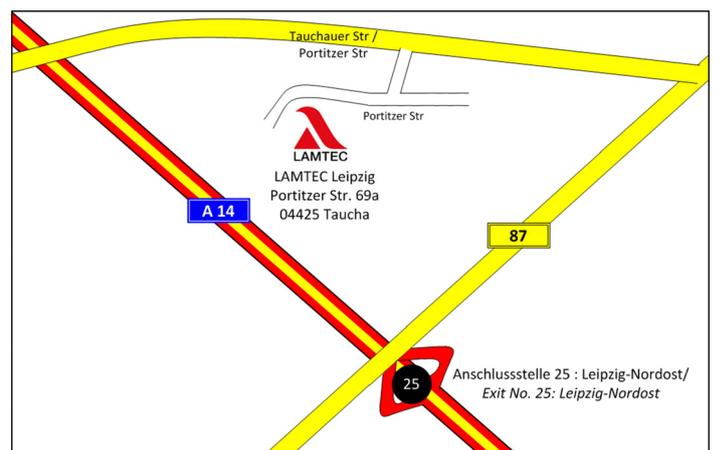

LAMTEC Leipzig is currently moving into a new location. If everything goes according to schedule, the relocation will be completed by the end of March 2012. Therefore, please direct all deliveries including supplies, repairs and post to the following address (effective immediately):

LAMTEC Leipzig GmbH & Co. KG
Portitzer Str. 69a
04425 Taucha
Tel: 034298 / 4875-0
Fax: 034298 / 4875-99

LAMTEC sincerely apologizes for all delays in order processing the relocation may cause or may have caused so far.

Please also note that during this time, you may encounter problems while trying to reach us by phone. Please have some patience as we will process your orders as soon as possible. In a few days we will be able to provide you with the service, quality and fast processing times you are accustomed with.

You can find us here:
