Content:

- 2 Days of ETAMATIC training
- 1 Day of basic training on flame detectors
- 1 Day of basic training on measurement systems

5-Day Training with Focus on FMS and Mixed Combustion

(We strongly recommend that participants have completed the basic ETAMATIC training course before enrolling onto this course)

Content:

- 3 Days of FMS/mixed combustion training
- 1 Day training on flame monitoring systems
- 1 Day training on measurement systems

3-Day Training with focus on CMS

Content:

- 3 Days of CMS training

Fees

We will be charging €150.00 per person per day for participation on our standard courses - charging will be introduced from 1st January 2018.

The course fee includes the cost of training materials, as well as lunch and drinks during the course. Travel and accommodation costs are not included.

Payment

With the final confirmation of registration, the participant will receive an invoice for the course fee.

The registration fee (net price plus VAT) is due and payable without discount 10 working days after the invoice date at the latest.

Cancellation terms

Cancellation is only possible in writing. Please note that we charge the following handling fees:

- Cancellation from 4 to 1 week before the start of the course: 80% of the participation fee plus VAT.
- Cancellation from 1 week before the start of the course: Full participation fee plus VAT.

If we have arranged accommodation for the participant, this may cause additional costs, depending on the hotel's cancellation policy.

Cancellation of Events

We reserve the right to cancel the training up to 4 weeks before the beginning of the course due to a lack of participants. The minimum number of participants is 6 persons.

Please wait for the final confirmation before you plan your trip. You will receive confirmation 4 weeks before the course starts.

Hotel bookings

We will be pleased to assist you in booking a hotel room. Please inform us when registering for the training whether we should book a room for you.

Individual Training (German, English, French, German)

In addition to our standard training courses, we also offer in-house training specifically tailored to our customers' needs.

We can provide specific training on the following products and subject topics:

Content	Duration
BT300	1 Day
LT1/LT2/LT3	1 Day
LT3-F/O ₂ -/CO	1 Day
Flame Monitoring	1 Day
ETAMATIC	2 Days
FMS	2 Days
Mixed Combustion	2 Days
Mixed Combustion including the repetition of FMS basics	3 Days
CMS	3 Days

The duration and content of the individual training units are recommendations and can vary according to the participants' level of knowledge.

Individual Training (German, English, French, German)

Fees

For individual training at LAMTEC, we charge the first day of training at €1,200.00 plus VAT, with subsequent days being charged at €900.00 plus VAT. This price includes up to 5 participants. For each additional participant, €120.00 plus VAT will be charged for the first day of training and €90.00 plus VAT for each additional day of training.

For individual training at a customer sites, we charge an additional €1.70* per kilometre driven or other means of transport at cost, as well as accommodation costs.

*including working hours

Offer

If you are interested in an individual training course, please email your request with the following information to training@lamtec.de:

- Number of participants
- Preferred date/period
- Contents of the training course

The selected training dates will be reserved for a period of 14 days. If no order is submitted within this period we will release the dates again.

Payment

With the final confirmation of registration, the participant will receive an invoice for the course fee.

The registration fee (net price plus VAT) is due and payable without discount 10 working days after the invoice date at the latest.

If you have any further questions, do not hesitate to contact your sales representative or Mrs Jacqueline Hofmann, training@lamtec.de, 06227605261.
